

Principle:

The stronger the connection the more successful the business

**BLME is a member of The Association of Foreign Banks**

The Association of Foreign Banks provides a forum for the sharing of information on industry issues for the mutual benefit of its members.

It also makes effective representation to the financial services industry, government, regulatory bodies and other peer group associations, on behalf of its members, to ensure the attainment of good international practice.

About BLME

BLME is an independent, wholesale Sharia'a compliant UK bank based in the City of London. Our key business areas are Private Banking, Asset Management, Corporate Banking, Corporate Advisory and Markets.
