

## **Board announcement in relation to share trades**

**London/Dubai 6 March 2014** – Since shares in BLME Holdings plc ('BLMEH') were successfully admitted to listing on NASDAQ Dubai on 8 October 2013, three on market trades occurred at the end of December 2013 in respect of 10 shares at US\$1.95 per share, 10 shares at US\$1.70 per share and 700 shares at US\$1.305 per share. NASDAQ Dubai subsequently informed BLMEH that it considered these trades to be immaterial and reset the price to US\$2.61 per share. BLMEH supported the actions of NASDAQ Dubai.

On 14 January 2014 an additional 4,000 shares traded at a price of US\$1.35 per share. In the opinion of the Board of Directors, these trades are a misrepresentation of the true market value of shares in BLMEH and have had a distorting effect on the quoted share price of a BLMEH share. The Board of Directors has asked the DFSA to consider any implications of these trades under the DFSA listing rules.
