- 3.3. We will deduct the value of any transactions from the balance available in your Account. If the transaction does not occur on a Business Day, we will deduct the value on the next Business Day and in the meantime, we will hold the value of the transaction from your Account balance. If at the time of any transaction there are insufficient funds available in your Account to cover the amount of the transactions and any related fees, the transaction may be declined.
- 3.4. In relation to the Minimum Balance Amount, you should be aware that in some circumstances we (or a merchant) may require you to have available funds on your Account in excess of the transaction amount. This is to ensure that there are sufficient funds available to cover the final cost of the transaction and to reduce the risk of negative balance arising on the Account. Examples include:

- i. When the Card is used at certain Merchants including restaurants where an additional amount (typically 10-20%) is automatically added as an anticipated service charge or tip, temporarily reducing the balance on the Account.
- ii. When the Card is used to purchase fuel at an automated fuel pump, the Account must have a minimum credit typically between £10-£50 or currency equivalent.

If your actual service charge or tip is less than the additional amount added, or you spend less than the minimum credit amount when purchasing fuel, it may take up to 21 days from the date of the transaction before the difference is available to spend. Only the actual amount of the final bill agreed between you and merchant or retailer will be deducted from your Account. For further information please refer to the FAQs on www.blme.com.

- 3.5. When using the Contactless functionality to make payments with the Card, a transaction limit, which is not set by us and may vary from time to time and that depends on local limits, will apply.
- 3.6. The following limits will apply to your Card:

Limit Description	Limit
Daily Transaction Spend Limit (excluding ATM withdrawals)	£12,000
Daily ATM withdrawal limit	£3,000

Any alternative limit that may be applied from time to time will be confirmed in writing to you.

- 3.7. As with all payment cards, we cannot guarantee a retailer or merchant will accept your Card in any particular instance. In addition, your Card cannot be used at certain retailers or merchants, including but not limited to gambling, casinos, gaming and betting, alcohol stores and drinking places, dating or escort services. Should you have any questions regarding these restrictions please call your Relationship Manager or refer to the FAQs on www.blme.com.
- 3.8. Your Card will be valid for the period ending on the expiry date indicated on your Card. You will not be able to use your Card after its expiry. Provided your account remains open and valid, we will in most cases provide you with a new Card prior to expiry. For more information on Card expiry, please see clause 6.
- 3.9. You can obtain detailed instructions on how to use your Card by calling Customer Services.

4. Currency Exchange Rates and Fees

- 4.1. All payments made using your Card shall be in sterling. If you are paying for goods and services or making ATM withdrawals in a different currency the amount payable will first be converted at the Mastercard® conversion rate at the time your transaction is processed. The Mastercard® conversion rate is displayed on <https://www.mastercard.com/global/currencyconversion>. The Mastercard® conversion rate may vary during the day and is not set by us. Note that exchange rates can fluctuate and that they may change between the time when the transaction has

been made and the time when it is settled and billed to your Account. In addition, following this conversion, a further foreign exchange rate mark up of 3% of the transaction amount, as converted to sterling pursuant to clause 4.1 above, will apply and will be deducted from your Account balance.

- 4.2. When you use your Card at an ATM, you may be subject to fees, surcharge rules and/or regulations applicable to the relevant ATM.
- 4.3. If we decide to increase or impose any new fees, we will make such changes in accordance with clause 13 of these Card Conditions.

5. Authorising Transactions

- 5.1. The authorisation by you of a transaction may include authorising any single transaction, a series of transactions (including transactions for an indefinite period) or pre-authorising future transactions of a certain or uncertain amount. A Card transaction will be regarded as authorised by you where you:
- 5.1.1. authorise the transaction at the point of sale by following the instructions provided by the merchant or retailer, which may include:
 - i. entering your PIN or providing any other security code;
 - ii. swiping the Card on the card reading device and/or signing a sales voucher;
 - iii. providing your Card details and/or providing any other details as requested;

 - 5.1.2. Inserting the Card and entering your PIN to request a cash withdrawal at an ATM.
- 5.2. Authorisation for a Card transaction may not be withdrawn (or revoked) by you after the time it is received. A transaction (the payment order) will be deemed to have been received by us at the time you authorise the transaction regardless of the manner of the authorisation received as follows:
- 5.2.1. for purchases and ATM transactions, at the time we receive the transaction instruction from the merchant acquirer or ATM operator, and
 - 5.2.2. for other transactions which are communicated directly to us, at the time you ask us to arrange for us to complete the transaction.

6. Suspension, Cancellation and Expiry of your Card

 - 6.1.5. we and/or PFS need to do so to comply with any applicable law or regulation.

If we and/or PFS take any of the steps referred to in the first paragraph of this clause, we will tell you as soon as we can or are permitted to do so after we and/or PFS have taken such steps. We may ask you to stop using your Card and return it to us or destroy it. In such circumstances, PFS will issue you with a replacement Card if after further investigations we and/or PFS have a reasonable belief that the relevant circumstances (as set out in clause 6.1.1 to 6.1.5) no longer apply.

- 6.2. We and/or PFS may also refuse to accept a transaction if:
- 6.2.1. we and/or PFS reasonably suspect that your Card is being used in an unauthorised, fraudulent or grossly negligent manner or in breach of clause 3.7 above;

- 6.2.2. sufficient funds are not available in your Account at the time of a transaction to cover the transaction amount and any applicable fees; or
- 6.2.3. we and/or PFS believe that an attempted or intended Card transaction is or would be unlawful.

If we and/or PFS refuse to accept a transaction, if practicable, and unless it would be unlawful for us to do so, we will immediately give you reasons for the refusal. You may correct any information we hold, which may have caused us to reject a transaction by contacting your Relationship Manager.

- 6.3. These Card Conditions will continue indefinitely unless terminated in accordance with this clause and clauses 20.3 or 29 of the Terms and Conditions for Individuals or if your Card expires, with no new Card having been provided. We may also cancel these Card Conditions for any reason by giving you at least two months' written notice. If your Account is cancelled, your Card will be immediately blocked so it cannot be used. You will not be entitled to a refund of money you have already spent on transactions authorised or pending or of any fees for the use of your Card before your Card is cancelled or expires. If your Card expires or is cancelled you must immediately destroy it by cutting vertically through the chip and magnetic strip.
- 6.4. You have the right to cancel the Card within the cooling off period of 14 days beginning on the date of the successful activation of your Account. You can withdraw from the Agreement, without any penalty but subject to deduction of any reasonable costs incurred by us in the performance of any part of the provision of services before you cancel. You must contact us within this 14-day period and inform us that you wish to withdraw from the Agreement and you must not use the Card. We will then cancel the Card and reimburse the amount of Available Balance on the Account. However, we reserve the right to hold Available Balance for up to 30 business days from receipt of your instructions before returning the balance, to ensure that details of all transactions have been received.

7. Keeping your Card secure

- 7.1. You must keep your Card, PIN and any other security details safe and not let anyone else use them. We will never ask you for your PIN and you should never reveal it to anyone. If you write down your PIN, you should keep it in a suitably safe place and separate from your Card.
