Key Product Information for our 90 Day Notice Account (Issue 5)

Account Name	90 Day Notice Account (Issue 5)
What is the interest rate*?	The account operates using Expected Profit Rates. The Expected Profit Rate is currently 2.50% GROSS / 2.52% AER. The Profit payments will be paid quarterly to your Nominated Account.
Can BLME change the interest rate*?	Yes, the Expected Profit Rate is variable and we can increase or decrease this rate. We will always provide you with 60 days' notice of any change.
What would the estimated balance be after 1 year based on a £10,000.00 deposit?	£10,250.00 The above projection is provided for illustrative purposes only. It assumes an Expected Profit Rate of 2.50% GROSS / 2.52% AER, that a £10,000.00 account balance is maintained for 1 year and that there is no change to the Expected Profit Rate during that time.
How do I open and manage my account?	New or existing BLME customers who are UK residents and aged 18 years or over can apply for a 90 Day Notice Account by completing the online application process at www.blme.com . Existing customers can communicate with us regarding their account via the online web facilities or direct via email to www.blme.com . Minimum initial deposit: £10,000.00 Maximum deposit amount: £1,000,000.00 (or higher at our discretion) Minimum account balance: £1,000 You can make additional payments to your account at any time
Can I withdraw money?	Withdrawals are permitted if you provide us with (90 Days) days' notice. There are no penalties for doing this. Once your withdrawal request is accepted by us it cannot be cancelled. Minimum withdrawal amount: £1,000.00
Additional information	Tax status: Paid gross of income tax (no tax deducted) 'Cooling Off' period: You may cancel your Account within fourteen (14) days from the date of our Acceptance. AER stands for Annual Equivalent Rate. If you left a sum of money in your account all year, the AER would be the profit rate you would get if we paid you profit during the course of the year and your subsequently higher balance then earned more profit by compounding.
